WORLD CONGRESS BANGKOK, THAILAND

JANUARY 16 – 18, 2026

The Next Evolution In Facial Aesthetics

FACE by FATS – The Next Evolution in Facial Aesthetics
Advancing Science. Shaping Aesthetics.

FACE by FATS is a premier international conference born from the renowned Forum of Adipose Tissue and Stem Cell (FATS), dedicated to the science and artistry of facial aesthetics. Building on the foundation of regenerative innovation, **FACE by FATS** expands the conversation—bringing together world-leading experts to explore the full spectrum of facial aesthetic procedures, from minimally invasive to advanced surgical techniques. This highly curated event offers a unique platform for education, collaboration, and innovation—uniting plastic surgeons, facial plastic surgeons, dermatologists, and aesthetic practitioners who are setting new standards in patient care and outcomes. As a sponsor, you'll have the unique opportunity to align your brand with a forward-thinking, highly engaged community of medical professionals who are shaping the next evolution in aesthetic treatment. FATS events are renowned for their scientific depth, clinical relevance, and strong focus on innovation—making them an ideal platform to showcase your products, technologies, and thought leadership.

ABOUT

Why Sponsor FACE by FATS?

As a sponsor, you'll gain exclusive access to a global community of decision-makers and key opinion leaders who actively shape the direction of aesthetic medicine. This is your opportunity to:

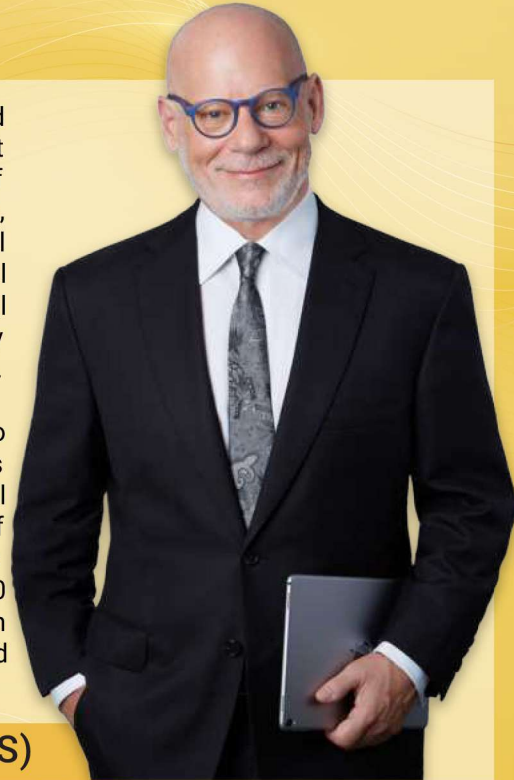

-  • Showcase your brand
-  • Engage with a targeted audience
-  • Reach a global audience of aesthetic and regenerative medicine leaders
-  • Gain year-round visibility
-  • Position your company as a leader

Join us in redefining the landscape of aesthetic and regenerative medicine in the upcoming **FACE by FATS Bangkok 2026**. Together, we can drive progress, spark new ideas, and deliver better outcomes for patients worldwide.

Dr. Steven R. Cohen is an internationally acclaimed plastic surgeon, innovator, entrepreneur, and artist based in La Jolla, California. A Clinical Professor of Plastic Surgery at the University of California, San Diego, he is renowned for his pioneering work in craniofacial and aesthetic surgery. Dr. Cohen invented the first internal craniofacial distraction device, performed the first neonatal mandibular distraction, and co-developed early cloud-based medical software through LeonardoMD.

With a career spanning cardiovascular surgery to regenerative aesthetics, he has led advancements in fat grafting, nanofat technology, and stem cell applications in facial rejuvenation. He is the recipient of the Tiffany Award from the American Society for Aesthetic Plastic Surgery and has authored over 170 publications and textbooks. Beyond medicine, Dr. Cohen is also a dedicated artist with works exhibited internationally, donating proceeds to charitable causes.

DR. STEVEN R. COHEN (UNITED STATES)

Dr. L. Mike Nayak is an internationally recognized, published authority in Facial Plastic and Reconstructive Surgery. Having studied at Yale, Washington University, and Harvard, Dr. Nayak went on to achieve certification by 3 separate boards: the American Board of Otolaryngology/Head and Neck Surgery, the American Board of Facial Plastic and Reconstructive Surgery, and the American Board of Cosmetic Surgery. He practices in St. Louis, MO, alongside 15 esthetician, nurse, midlevel, and physician providers in a 50+ employee office.

DR. L. MIKE NAYAK (UNITED STATES)

Dr. Francisco G. Bravo became a member of the Royal College of Physicians of Madrid in 1996, undertaking his plastic surgery training both in across Madrid, Barcelona, Paris, London, New York and Rome. After completing a Clinical Microsurgery Fellowship at the New York University Medical Center's Institute of Reconstructive Plastic Surgery, under Department Chair Dr. Joseph McCarthy. Dr. Bravo returned to Europe as Consultant Plastic Surgeon at the Erasmus Medical Center in Rotterdam. He later settled in Madrid to become Program Director of Plastic Surgery at one of the largest surgical centers in Spain, the Doce de Octubre University Hospital, where he also served as Associate Professor of Surgery at the Complutense University Medical School. He later shifted focus to his private practice after opening his clinic with an integrated operating suite in central Madrid.

DR. FRANCISCO G. BRAVO (SPAIN)

A board-certified plastic surgeon since 1985, he has held prominent leadership roles including Chairman of Surgery at Bhumibol Adulyadej Hospital (2005–2009), President of OSAPS (2014–2016), and ISAPS National Secretary (2018–2022). Currently, he is the Director and Founder of Bangkok Skin-Plastic Surgery Center and serves on multiple professional boards. He has authored numerous publications in aesthetic surgery, especially on facial rejuvenation and eyelid surgery. His work has earned several awards, including the 2024 PRS Best Paper Award.

DR KAMOL WATTANAKRAI (THAILAND)

Dr. Kidakorn Kiranantawat, MD, FRCST is a board-certified plastic and general surgeon based in Bangkok, Thailand. He currently serves as an Associate Professor and Consultant Plastic Surgeon at the Faculty of Medicine, Ramathibodi Hospital, Mahidol University. He is also the founder and head of plastic surgery at The Image Medical Aesthetic Centre and a consultant at Bumrungrad International Hospital.

He holds several leadership roles, including:
Secretary General of the Society of Aesthetic Plastic Surgeons of Thailand (2022–2024) Board member of ThPRS, ThSAPS, and the Rhinoplasty Society of Asia National Secretary for OSAPS and Council Delegate for APRAS International member of ASPS and ISAPS

Postgraduate Training:

Location: The Chatrium Grand Bangkok

SESSION 1: KEYNOTE Lecture: Pre conference keynote lecture (long version) for participants reading and preparation before conference.
Mike Nayak, Steve Cohen and Francisco Bravo.

TIME	TOPIC	SPEAKER
● 8.00AM - 8.30AM	REGISTRATION	
● 8.30AM - 9.15AM (45 mins)	● Precision in Practice. Mastering Deep Plane Face & Neck Lift for Natural Results <i>1. Concepts 2. Anatomy 3. Description 4. Conceptual 5. Latest trends and hot topics- What's new 6. Current challenges 7. My biggest mistakes and learnings. 8. My best ideas</i>	● Mike Nayak (United States) <i>Keynote lecture: (short version) teaching notes</i>
● 9.15AM - 10.15AM (60 mins)	● Expert-Led Facilitated Group Discussion Attendees will be divided into groups of 8 to 10 with an appointed leader <i>1. Find a buddy and set your own outcomes 2. Share your best ideas / questions on your table 3. Table discussion 4. Consider the group questions 5. Table questions for the speaker</i>	● Mike Nayak (United States)
● 10.15AM - 10.45AM (30 mins)	● Tea Break	
● 10.45AM - 11.00AM (15 mins)	● Industry Sponsor Lecture (Platinum)	

SESSION 2

TIME	TOPIC	SPEAKER
● 11.00AM - 11.15AM (15 mins)	● "Key Points in Correcting the Aging Lower Eyelid Deformity: Preservation Lower Blepharoplasty with Midface Orbital Rim Anchoring"	● Francisco Bravo (Spain)
● 11.15AM - 11.30AM (15 mins)	● Tips for successful revision of unaesthetic high eyelid folds	● Kamol Wattanakrai (Thailand)
● 11.30AM - 11.45AM (15 mins)	● A double eyelid procedure using the bead method	● Mia Shirakabe (Japan)
● 11.45AM - 12.00PM (15 mins)	● Lower blepharoplasty patient with weak lid strength	● Lee Kim Siea (Malaysia)
● 12.00PM - 12.15PM (15 mins)	● Asian short incision blepharosplasty	● Kritsada Kowitwibool (Thailand)
● 12.15PM - 12.30PM (15 mins)	● Blepharoplasty	● Florencio Lucero (Philippines)
● 12.30PM - 12.45PM (15 mins)	● Lower eyelids rejuvenation. Talk about my SML technique for lipotransfer	● Kamol Wattanakrai (Thailand)
● 12.45PM - 1.00PM (15 mins)	● Optimizing, fat graft retention	● Prof. Somyos Kunachak (Thailand)
1.00PM - 1.15PM (15 mins)	● Lower blepharoplasty: A volumetric approach	● Mike Nayak (United States)
1.15PM - 2.15PM (60 mins)	● Lunch	

SESSION 3: STEVE COHEN Keynote lecture: short version teaching notes

TIME	TOPIC	SPEAKER
● 2.15PM - 3.00PM (45 mins)	● The Future Face: A visionary look into the evolution of Deep Plane and Neck Lift <i>1. Concepts 2. Anatomy 3. Description 4. Conceptual 5. Latest trends and hot topics - What's new 6. Current challenges 7. My biggest mistakes and learnings 8. My best ideas</i>	● Steve Cohen (United States)
● 3.00PM - 4.00PM (60 mins)	● Expert-Led Facilitated Group Discussion Attendees will be divided into groups of 8 to 10 with an appointed leader <i>1. Concepts 2. Anatomy 3. Description 4. Conceptual 5. Latest trends and hot topics - What's new 6. Current challenges 7. My biggest mistakes and learnings 8. My best ideas</i>	● Steve Cohen (United States)
● 4.00PM - 4.30PM (30 mins)	● Tea Break	
● 4.30PM - 4.45PM (15mins)	● Industry Sponsor Lecture (Platinum)	

SESSION 4

TIME	TOPIC	SPEAKER
● 4.45PM - 5.00PM (15 mins)	● Browlift: my 2 favourite techniques, and 4 methods of suspension	● Mike Nayak (United States)
● 5.00PM - 5.15PM (15 mins)	● Subbrow Lift	● Mia Shirakabe (Japan)
● 5.15PM - 5.30PM (15 mins)	● Periorbital rejuvenation surgery	● Kidakorn Kiranantawat (Thailand)
● 5.30PM - 5.45PM (15 mins)	● Forehead and brow lift	● Kidakorn Kiranantawat (Thailand)
● 5.45PM - 6.00PM (15 mins)	● Subbrow Lift	● Kamol Wattanakrai (Thailand)
● 6.00PM - 6.15PM (15 mins)	● Auto augmentation Upper Blepharoplasty: An Etiopathogenic Approach to Correcting the Aging Upper Eyelid	● Francisco Bravo (Spain)
● 6.15PM - 6.30PM (15 mins)	● Brow rejuvenation	● Steve Cohen (United States)
